

SIXTY BABIES ARE CARED FOR

Children's Dispensary is Doing Good Work in Helping Mothers in Hot Months.

Earnest workers in connection with the children's dispensary on W. Division st. are doing great service to little tots about the city. Their efforts in behalf of the babes in keeping them well and comfortable during the warm weather have earned the appreciation of many a mother and have been the means of saving many a life.

The chief aim of the dispensary is to lessen infant mortality by removing the children as far as possible from the dangers of preventable diseases. In order to do this they undertake to prescribe for each child a particular diet, and, if necessary, to prepare food and administer medical aid free of charge.

For cases of illness where a close observation of symptoms is necessary, special apartments have been prepared where the children remain during the day under supervision of the nurse. Attending physicians examine the children who are brought to them daily and prescribe for them according to their needs. A visiting nurse is sent to the homes of the children to see that the doctor's orders are properly executed, and to assist in adding to the comfort of the little ones. The promoters of the dispensary do not confine their services to any particular locality, but desire to reach every home in the city where their assistance is needed.

At present there are about 60 infants being attended by the dispensary staff and the number is steadily increasing. The doors are open from 8 in the morning until 5 in the evening. Miss Bailey, the nurse in charge, has lately secured an assistant, which enables her to give personal attention to the care of the children at home.

Dr. C. E. Hansel, medical director, Doctors H. H. Miller, R. L. Schenck and W. L. Owen render their services free of charge. The dispensary is conducted by the Hospital association and it receives no support whatever from the city.

REV. CHAS. A. DECKER LEAVES ON VACATION

Rev. V. E. Soares Will be in Charge of First Baptist During His Absence.

Rev. Charles A. Decker, pastor of the First Baptist church, began a three weeks' summer vacation after the service Sunday night. Rev. Mr. Decker and his family left the city Monday. He will visit relatives in different parts of the state.

In the absence of the pastor, V. E. Soares, his assistant, will have charge of the services. Mr. Soares will preach part of the sermons and it is probable that another preacher will assist. He will have charge of all midweek services and of all of the church business, ordinarily taken care of by the pastor, during the three weeks.

ONE SIDE WAS BUT THE OTHER WAS NOT

Senator Clarke a Two-Faced Man When He is Called From the Barber Shop.

WASHINGTON, July 21.—Sen. Clarke, president pro tem of the senate, faced that august body Monday with half a shave. Vice Pres. Marshall was out of town and as the bells were tinkling the call for assembly Sen. Clarke was comfortably stretched out in a chair in the barber shop and was warned by pages that the senate was without a presiding officer. The senator hurriedly wiped the lather from his face and bolted for the chamber.

WILSON REFUSES TO DISCUSS CONDITIONS

HAVANA, July 21.—The American ambassador to Mexico, Henry Lane Wilson, arrived here from Vera Cruz on the steamer Mexico Monday evening. He was greeted by the acting minister to Cuba, Hugh S. Gibson, Col. Herbert J. Slocum, military attaché of the American legation, and the military aide of Pres. Menocal. On account of extreme weariness the ambassador decided not to come ashore. He will proceed by way of Key West Tuesday morning to Washington. He declined to discuss Mexican affairs or the object of his visit to Washington.

MRS. EATON LOSES FIGHT TO GET PAPERS

Attorneys Tried to Force States to Uncover Its Hand Before Trial is Started.

BOSTON, July 22.—Mrs. Jennie M. Eaton, charged with having murdered her husband, Rear Admiral Joseph G. Eaton, failed Monday in an effort to force the government to show its hand before her trial in October. The court denied motions made by her counsel to compel the district attorney to furnish him with a transcript of the grand jury testimony to grant access to all exhibits to be used at the trial and to furnish a bill of particulars as to what kind of poison was used in the alleged murder and how it was administered.

WILL VISIT AT ELKHART

Personal Workers Secured Nine Converts on Sunday.

Arrangements will be made at a meeting to be held Tuesday evening by the Personal Workers' league, for conducting special services at Elkhart next Sunday evening. Services were held at Munson chapel Sunday night, which were in charge of the league. As a result nine converts came forward. Other special business will come up.
